

## **PROTEST DEA MEDICAL MARIJUANA CRACKDOWN!**

For the second time in a week, the DEA has raided a medical cannabis provider in California. Just last week, the DEA raided a similar dispensary in Santa Cruz. The DEA has targeted 6 dispensaries in the last year.

**Monday September 16, 2002  
Noon - 1 PM  
Federal Building  
120 N. Henry Street, Madison**

We are calling on all medical cannabis supporters to join Americans for Safe Access ([www.SafeAccessNow.org](http://www.SafeAccessNow.org)) and its national coalition in protesting the latest raid. There will be demonstrations at federal buildings in cities all over the country at 12:00 PM on Monday, September 16.

Your participation is crucial.  
We must keep the pressure on the federal government in this time of crisis.  
We need you -- plus many others.
